

# **OK-B Trip to OK-M Anniversary Rally, March 14, 2015**

Hi All,

It was a little bit dreary of a day, but bright and cheery inside at the anniversary. Our very own Chapter B members (Johnie F., Kaylie F., and Allison F.) won the ski skoot challenge, not sure that's the name of it, just what I call it. The theme was St. Patrick's Day, so we had some great Irish food, corned beef and cabbage, Irish stew, potato soup, then for dessert had some rainbow sherbet and cookies.

Our very own Bill & Suzie won a trip to Branson. I won an oil change from a Toyota dealer, only thing is I have to take vehicle to Muskogee. The 50-50 of \$255.00 went to Pam R. of Chapter J. The anniversary had a total of 76 people there (a total of seven Chapter B participants), pretty good turn out.

Don't forget, we have Chapter X Anniversary coming up Saturday, March 21st, 2015 and Chapter E Anniversary coming up Sunday, March 22nd, 2015, yep, back to back anniversaries, what a deal!

Great News!!! Well, at least for me it is. It was announced the conventions will no longer be called conventions and go back to being called Rallies. I never did like the convention tag, sounded too business like and not enough fun! Some of you newer folks, this might not matter as that is all you've heard them called.
