June 2021

“Got Time?”

Wow – did we have more than one day of sunshine and no wind in Oklahoma? Hope you’re getting in some good riding and enjoying all of the GWRRRA family’s company.

The other day while we were at one of our dinner rides, a chapter member stated, “*I just don’t have the time to do everything the chapter wants me to do this month*”. That got me to thinking about how many activities Shawn and I are scheduled in for one month. Just in the month of June our chapter had 12 days of planned activities including anniversaries and conventions that we could attend. Shawn and I have 4 Sunday’s of church, 6 days of zoom calls, 3 days of planned activities with kids and grandkids, 4 doctor appointments, and did I mention 12 days of coffee rides with GWRRRA and church friends. And finally a 5 day fun time at the Missouri Rally. Gee...that is 46 days of activities just in the month of June. **“GOT TIME?”**

Do you ever find that there is just *not enough time* to get everything done? How many times in a day or month do you use the words “not enough time”. We often catch ourselves working, cleaning cooking, running kids and grandkids to activities, running errands and then there are GWRRRA activities. Does any GWRRRA member still work? Add that to the equation.

Our modern lifestyles create a time famine that we are forced to live with; there seems to never be enough time for everything. Even if we manage to get most of our tasks and responsibilities done, our personal time and time with our loved ones suffer.

One of the great benefits the GWRRRA University Training Program has is a time management seminar to help look at some tools and techniques to manage time more efficiently. The seminar is called “**Time Management**”. Following is the discussion topics for the seminar:

- Four points about time management
- Time and its use
- Dispelling the Great Myth
- Less than perfect time management
- Realistic approach to managing time
- Ten ways to get the most out of each day.

Ask your chapter director to have a time management seminar presented in your chapter. It will make time matter by looking at how you use it and by learning to spend it wisely.

OK-P Makes a Difference

We have to get kudo's to OK-P for such a great week of campout and riding at Heyburn Lake. They had a large group and did a lot of activities. Many of the districts chapter attended there campout cookout and joined them in their rides to some great restaurants across Oklahoma. Thanks to Ken and Sue Fern chapter CD's and his team for letting us join them.

BINGO Time

Did you receive your district BINGO card yet? This is our district activity for 2021. We've created a BINGO card filled with fun GWRRA activities. All you have to do is complete activities until you get a BINGO (up/down, left/right, or crossways). You can enter for all three directions. Once you get your BINGO you'll be eligible for a \$25, \$50 or \$100 prize. Black out the card for a special drawing for a special gift. This runs the whole year so get out and ride. Mail or email in your cards to District Ride Coordinator Don Ferry.

You Make the Difference

Chapter Directors - GWRRA still has the "You Make the Difference" program to show appreciation to members who have helped out, or done an outstanding job in some way to GWRRA. Do you have someone who you thinks deserves a special pin? Contact your MEC or District MEC to get the pin and certificate.
